I was also a long time 1st assistant director of the director Wong Kar Wai. I am currently employed as a 1st assistant director, co-director and producer of various projects at The Bigfoot Entertainment and International Academy of Film and Television, Inc.

Mr. Francisco Cristovao was my production assistant in one of the projects "Deep Gold". Mr. Cristovao has a very positive working attitude. He was always on time and hard working. He had carried out his duty efficiently and demonstrated his utmost ability in the project. His ability was highly efficient in many areas including handling talents and crew members, helping me running the set...etc.

I highly recommend Mr. Cristovao in many areas in the film industry, and in addition, based on his positive personality, I would also recommend him to anyone in the other industries.
